Dear Sai Prateek

I would like to congratulate you on your successful nomination for the Kurt Hahn Prize. It was Kurt Hahn's belief that the most enduring human trait is that of compassion. Certainly it is our understanding that your actions echo this sentiment for without compassion we would not put our own safety at risk or give willingly of our time to help others.

You are invited to attend the 2010 International Conference in Thailand as a guest of the Salem Alumni. Mr Amar Srivastava will assist you with arrangements to this effect.

May I take this opportunity to wish you everything of the best for the future and to encourage you to live the Round Square Ideals, and to work with sincerity to assist present and future generations to make a positive contribution to the sustainability of our planet.

Yours sincerely

Brian Dawson  
Executive Director
