

## **THE INDIAN SCHOOL, AL GHUBRA**

April 9, 2006

### To the Parents of Class 5

As per the directives of the CBSE we have decided to extend the new continuous and comprehensive evaluation system in Class 5 too.

Your child's work will be evaluated continuously all through the year and the assessment reports sent to you in the form of a report card. This means that henceforth there will be no formal exams like they had in the past. Instead, recapitulation work will be done in class at the end of every topic. Students will be given a day's notice for the recap worksheets to be done in class.

In case you have any queries about this continuous assessment please contact the Supervisor, Mrs. Carina Gracias.
