

Dear Sir/Madam,

In connection with the 20<sup>th</sup> year celebrations of our school, we are organizing 'Moving Images'- the ISG Student Film Festival 2010. This first ever inter-school exhibition of short films by students intends to foster movie-making activities at this level.

Film is one of the most popular forms of art and entertainment throughout the world. It is the modern-day mode of storytelling, a medium which can greatly express its maker's ideas. All one needs for a good film is thought and a strong vision. Encouraging movie-related activities would enhance creativity and hopefully, inspire people to express themselves artistically.

We would be honoured to have your school participate in this unique event organized by the Indian School, Al Ghubra. Each school is allowed one short film with a duration of not more than ten minutes.

We request confirmation of your participation by the **5th of June**. However, the entries need be submitted only by the **30<sup>th</sup> of August**.

Attached herewith are further details and instructions in connection with 'Moving Images'- the ISG Student Film Festival 2010. For further clarification, your queries can be forwarded to this email id: **filmfest@indianschool.com**

Regards,

Principal
