

INDIAN SCHOOL , AL GHUBRA

World Photography Day

Indian School Al Ghubra organized contests and exhibitions to mark the World Photography Day on 19 August. The Photography Club of ISG has been instrumental in honing the talent with regular workshops and field trips for its student members. The World Photography Day celebration is yet another occasion for the upcoming photographers of ISG to exhibit their creativity.

The Photography Club organized the 5th Annual Photography Exhibition along with Quiz competitions on photography for students. The Caption Contest open to both teachers and students was the highlight of the event.

The Principal also released 'Reflections' - the ISG academic

calendar featuring the photographs taken by the students of ISG. The proceeds from the sale of this calendar will be used for charity. This maiden attempt was highly appreciated by the President and Members of the School Management Committee. The sincere efforts of the coordinator and the students of the Photography Club, ISG, in putting up such a brilliant display of photographs were appreciated by all.
