## **IMPORTANT CIRCULAR**

16<sup>th</sup> March 2020

### **To Parents of students in Classes 10 and 12 taking Board Examinations**

Dear Parents,

I am pleased to inform you that the Ministry of Education, Sultanate of Oman has very kindly given us permission to conduct the remaining Board examinations for students in classes 10 and 12.

There are certain instructions that have to be followed very strictly:

- 1) **PLEASE NOTE ONLY STUDENTS ARE ALLOWED TO ENTER THE SCHOOL.** Kindly drop your child at the gate in the morning between 7.50 a.m and 8.00 a.m and pick your child as soon as the exam is over.
- 2) There should not be any delay in picking up your child after the exam because children cannot be seen outside in school uniform.
- 3) This particularly refers to students of class 10 taking the Social Science examination on the 18<sup>th</sup> of March 2020, which is their last examination. Please ensure that your child goes back straight home after the examination and is not seen celebrating the end of the examination in school uniform outside. This will lead to serious consequences regarding the remaining Board examinations for other students and therefore you are requested to take these instructions very seriously.
- 4) Please tell your children to keep a safe distance from others for their safety as well as the safety of others. Do please instruct your children to use the hand sanitizers in school before and after the exam, if necessary.

Stay safe and keep your children safe.

Once again, we express our gratefulness to the Ministry of Education for allowing us to go ahead with the Board examinations.
