

A THOUGHTFUL GESTURE BY ISG STUDENTS

In an attempt to inculcate the values of compassion, caring and sharing a 'Children for Children' campaign was initiated to help the children of Yemen.

In an effort to make a difference in their lives, students of Indian School Al Ghubra from KG to Grade 12 collected blankets, clothes and stationery.

It was heart-warming to see the overwhelming response of our students who expressed their solidarity and kindness, to contribute for this noble cause. The support from the parents is much appreciated too.
