Five Gaveliers, Sneha KC, Suyog Suhas Bhat , Subodh Satish Dalve , Amisha Mehta and Adveeteeya Ganti advanced to the finals. The students did a great job showcasing their public speaking and critical thinking skills developed through Club sessions wherein they have been trained by their counsellors to achieve excellence.

This public speaking contest which brought together 34 Gavel clubs represented by 272 Gaveliers showcased the public speaking talents of the young members. It has not only raised the self-confidence of each individual in the club to a new speaking level but also enhanced their leadership skills.
