Dear Parents

This is regarding the CBSE registration of students of class IX 2023-2024.

Students of class IX have to select Basic / Standard level of Mathematics at the time of registration.

**Please note the following details before selecting Basic or Standard Level of Mathematics for your ward:**

1. Students will have to continue with their choice of the level (Basic/Standard) in Class X.
2. Students opting for BASIC LEVEL Mathematics cannot opt for Mathematics as a subject while seeking admission in Class XI.
3. All the students will be taught the same syllabus for Mathematics. However, the question papers for the Board Examination in Class X will be different based on the level opted for.
